Payment Information: We pay 50% on all retail prices *if and when your zines sell*, we are on a full consignment system with all sellers. That means, if you charge \$5 for your zine, we keep \$2.50. We also have a 3 issue rule for NEW (never before consigned) sellers.

We do stay on top of sales and email when we need more of your zines, but please email once a month to ask if you have sold out, or before offering to send us more. We have hundreds of titles to keep track of. Always email when mailing/dropping off more.

We have a FAQ Zine page on the website: <http://bluestockings.com/books-and-zines/zines/>

For any questions still unanswered or just to say "Howdy!" email Red (they/them), our Zine Coordinator, at zines@bluestockings.com
